**Re:** Indigent Defense Grant Project – PPRI Contract Amendment

Information Technology is requesting the approval of an extension of the Public Policy Research Institute (PPRI) – Texas A&M contract originally awarded in Court on 04/06/2015. The Indigent Defense Project has been funded with a grant from the Texas Indigent Defense Commission.

An action plan to secure all outstanding deliverables from PPRI has been agreed upon by PPRI after consultation with the Texas Indigent Defense Commission representatives, Collin County Information Technology, and PPRI. PPRI has signed and committed to the amended vendor contract.

There is no change in the contract amount awarded to PPRI.
